

# KIM JEVON

## CURRICULUM VITAE

### BIOGRAPHY

Kim is a multi-faceted visual artist with over 10 years of experience. Specialising in mixed media fine art, Kim also creates textiles based work and illustrations. She has hosted group and solo exhibitions, and also produces surface pattern designs for her own brand.

Naturally proficient in the use of technology and digital tools, Kim is now channeling her creativity and passion for design into the world of web development.

With a keen eye for aesthetics, great resilience and an aptitude for problem solving, Kim is sure to create engaging user experiences. She is committed to lifelong learning and is eager to collaborate on innovative projects that bridge the gap between art and technology.
